FARMVILLE.

"Have you heard the whistles of the engines as they come puffing in on our new roads?" a common salutation on our Streets now-a-days, but as yet we have to be satisfied with the N. & W. and Tidewater & Western. Still we are hoping and what would life be without it? The engineers tell us that Farmville is difficult of approach, and hence the necessity of the high bridge that the old Southside might enter our gates, and the Tidewater has to "Y" in. I don't know just what the others will do in order to come in and secure footing, but our gates stand wide open to receive them night and day. To give them proper welcome, however, we need to start the sounding of some new whistles ourselves. The town must wake up or the trains will come and go unnoticed.

Mr. W. T. Clark and his two children have taken rooms at Mrs. H. C. Paulett's and his new and beautiful home on High Street is for rent.

Mr. and Mrs. Lucien Bugg are smugly fixed in the Baldwin house on West High Street.

Mr. Richard Cunningham, of Richmond, was a recent visitor in town. His mother and sisters, who are now living in Washington, D. C., will move to Richmond in the early Fall.

Mrs. Joyner and child, of Suffolk, are guests in the home of Mr. Geo. Richardson.

Mrs. Ellen C. Jones, who has an attractive home at Hampden-Sidney, has rented it to the Sigma Society and it will make a most delightful club house. She will still have the use of the property during the vacation and there she and her daughters will continue to spend their summers.

Miss Franke Jones, her eldest daughter and a recent graduate of the Normal has been offered positions in the High School at Charlottesville and also in that of Pearisburg, Giles County, and all of our graduates, I am told are being well provided for. Virginia made no mistake in establishing the Farmville Female Normal nor in providing for it so liberally. The returns being made by her daughters is more than a hundred fold.

Some new wheat is coming in and our faithful mill is busy night and day.

Our farm horses begin to show the results of hard work on the farms, though as a general thing our farmers are taking better care of their stock than in years gone by.

Judge Mann, who is asking to be returned to the Senate from this district is being opposed by Mr. Wallace, of Lunenburg. No joint discussions have been announced and I do not see where the fun of the present canvas is to come in at. No speaking, no treating, no barbecues, but just a dead, quiet and easy old campaign. No not an old-time campaign, but a modern one under the directions of the Barksdale Pure (?) Election Law,

The Citizens Bank in its bow to the public says that "the increasing wealth and business of this community call for additional banking facilities to meet this growing need." That's optimistic, the hopeful, cheerful salutation of young men. Of course they will succeed for in "the lexicon of youth" there is no such word as fail.

Judge Watkins has no opposition for the position of Commonwealth's Attorney, nor has Mr. Dickerson for the Sheriffalty, nor Mr. Owen for the House of Delegates. And in two districts aspirants for the Board of Supervisors will have walk-overs: Mr. Hawkins in Leigh, and Dr. Holladay in Hampden.

The spelling bee at the Summer Normal was one of the interesting features of the session.

The Presbyterians have increased the salary of their pastor from $1,200 to $1,500, and this laborer is worthy of his hire.

Speaking of doctors reminds me that they are often called upon to examine crazy negroes, when in days of slavery no one ever heard of a crazy negro. Freedom, then has not been an all around blessing. Providing for themselves and those dependent upon them may be the sources of the trouble. Anyhow they go crazy now that they can read and write, and hold on to their minds when they couldn't spell cat. The late Dr. Dabney, the strongest mind of his day, once said of the negro before he began to go to school: "Just so soon as he can spell cat he will fling away the hoe," and that has been about the results.

Sherwill.

We had on the 26th of July a severe hail storm in this section doing great damage to the tobacco crop. Several of the farmers in this section have cut their tobacco off at the ground and will attempt to raise a crop of suckers. The hail was accompanied by a severe wind which did much damage to the corn crop, also blew down a number of trees, doing a good deal of damage to the telephone wires in the neighborhood.

Mr. and Mrs. W. M. Jones, of Florence, S. C., are visiting their father and mother, Mr. and Mrs. Moseley Jones.

Misses Pauline and Belle Pierce, of Richmond, are visiting Miss Magdaline Jones.

Eczema

For the good of those suffering with eczema or other such trouble, I wish to say, my wife had something of that kind and after using the doctors' remedies for some time concluded to try Chamberlain's Salve, and it proved to be better than anything she had tried.

Chamberlain's Colic, Cholera and Diarrhoea Remedy, Better Than Three Doctors

"Three years ago we had three doctors with our little boy and everytaing that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."—Mrs. B. J. Johnston, Linton, Miss.

Thousands Have Kidney Trouble and Never Suspect it.

Prevalency of Kidney Disease.

Most people do not realize the alarming increase and remarkable fatality of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, *who constant themselves with doctoring the effects, while the original disease* undermines the system.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unhappy necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

The weather affords newspaper men a prolific source from whence to draw when they have no real news, but the weather conditions being much the same in the two counties and changes taking place faster than a weekly paper can appear, this kind of writing does not count for much. All the same we are thankful for this "latter" rain we have just had.

The lawn party at "Wheatland" was a great success, socially as we understand financially.

The primary is over but I am sorry that anyone had to be disappointed. Mr. Jim Spencer only lacked one vote to get the nomination for Supervisor of Mayaville District. Arvonia.

A large number of laborers are expected here this week from Philadelphia, Baltimore, Washington and New York to take the places of the striking quarry workers who are still leaving here in large numbers.

Less than half of the original number of strikers are estimated to be left in and around Arvonia. Every day sees new parties of the strikers leaving, and unless the exodus is stopped soon, there will be none left.

The strike of the slate makers employed in the six quarries will, unless soon settled, cause delay in opening the quarries, even after the laborers arrive here, as they cannot work unless the slate makers also work.—Richmond News-Leader.

Omohundro.

Mr. H. D. Omohundro and son, Douglas, returned home Saturday, after spending some time at the Exposition, Washington and Coney Island.

Mrs. H. D. Omohundro left for Lynchburg Saturday for a week or two.

Miss Lillie Bagland returned to Lynchburg to-day, after spending a month at home.

Miss Mary Lou Ragland has been quite sick at home near this place.
